DEDAN KIMATHI UNIVERSITY OF TECHNOLOGY

ADVERTISEMENT FOR VACANT POSITIONS IN THE UNIVERSITY

OUR VISION

"To be a premier technological university, excelling in quality education, research and technology transfer for national development"

OUR MISSION

"To provide an academically stimulating, culturally diverse and quality learning environment that fosters research, innovation and technology development towards producing relevant technical and managerial human resource and leaders to contribute to attainment of national development goals."

Dedan Kimathi University of Technology (DeKUT) is seeking to recruit qualified candidates to fill the following vacant position in the **Department of Electrical and Electronic Engineering.**

1 LECTURER, GRADE 12

REF: DeKUT/EEE/LEC/01/2026

REQUIREMENTS:

The candidates must:

- Have a PhD in Electrical and Electronic Engineering or equivalent degree qualification with a bias in Power Systems and/or Renewable Energy.
- Have a Minimum of 24 publication points, of which 16 should be from a refereed journal papers.
- Demonstrate evidence of teaching, research and innovation in the relevant area.
- Be registered with the relevant professional body.
- Demonstrate potential to contribute to the University's academic, research, innovation and community engagement activities.

ADDITIONAL REQUIREMENTS

The successful candidate will be expected to contribute to teaching, research, innovation and academic development in Power Systems and Renewable Energy, with particular emphasis on one or more of the following areas:

- Power System Protection / Analysis;
- Electrical Machines;
- High Voltage Technology;
- Power Systems Dynamics and Control;
- Computer-Aided Power System Planning;
- Renewable Energy Systems;
- Smart Grid Integration; and
- Electrical Energy Storage Systems.

2 TUTORIAL FELLOW, GRADE 11 (TELECOMMUNICATION/ELECTRONICS)

REF: DeKUT/EEE//TF/02/2026

REQUIREMENTS:

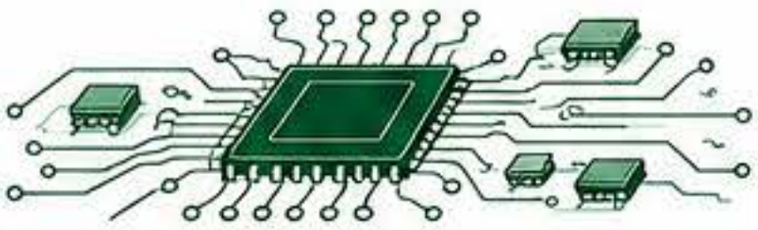

The Candidate must;

- Have Bachelor's degree and Master's degree in Electrical & Electronics Engineering with a bias in Electronics or Telecommunication, its equivalent from an accredited University.
- Be registered for Doctor of Philosophy (PhD) or equivalent Doctoral degree qualifications;
- Be registered or registerable with the relevant professional body.
- Demonstrate potential to contribute to teaching, laboratory instruction, research, innovation and other academic activities in the Department.

ADDITIONAL QUALIFICATIONS:

The successful candidate will support teaching, laboratory instruction, research and academic activities in Electronics, with particular emphasis on one or more of the following areas:

- Integrated Circuits;
- Analogue Electronics;
- Physical Electronics;
- Power Electronics;
- Semiconductor Devices for IC Design; and Compound Semiconductor Device Manufacture.

3 TUTORIAL FELLOW, GRADE 11 (POWER SYSTEMS)

REF: DeKUT/EEE//TF/02/2026

REQUIREMENTS:

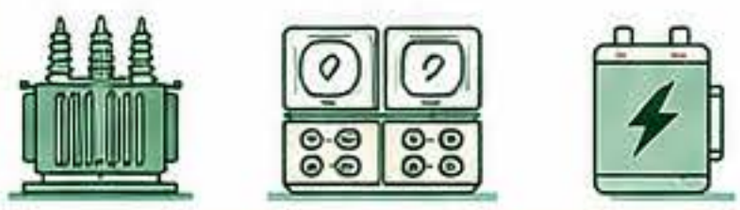

The Candidate must;

- Have Bachelor's degree and Master's degree in Electrical & Electronics Engineering with a bias in Power Systems, its equivalent from an accreident University.
- Be registered for Doctor of Philosophy (PhD) or equivalent Doctoral degree qualifications;
- Be registered or registerable with the relevant professional body.
- Demonstrate potential to contribute to teaching, laboratory instruction, research, innovation and other academic activities of the Department.

ADDITIONAL QUALIFICATIONS:

The successful candidate will support teaching, laboratory instruction, research and academic activities in Power Systems, with particular emphasis on one or more of the following areas:

- Power System Protection / Analysis;
- Electrical Machines;
- High Voltage Technology;
- Power Systems Dynamics and Control;
- Computer-Aided Power System Planning;
- Renewable Energy Systems;
- Smart Grid Integration; and
- Electrical Energy Storage Systems.

HOW TO APPLY

1. All applications should be sent to **hr@dkut.ac.ke** Hard copies will not be accepted.
2. Each application shall be accompanied by detailed curriculum vitae, copies of academic and professional certificates, national identity card or passport, testimonies, and other relevant supporting documents.
3. Shortlisted candidates will be required to provide evidence of clearance from
   (a) Kenya Revenue Authority
   (b) Higher Education Loans Board
   (c) Ethics and Anti-Corruption Commission
   (d) Certificate of Good Conduct from the Criminal Investigation Department.

NOTE: Only shortlisted candidates will be contacted.
Dedan Kimathi University of Technology is an equal opportunity employer. Qualified women and persons with disabilities and from the vulnerable marginalized groups are encouraged to apply.

DEADLINE:
Applications must be received on or before
16th September, 2026.
