DeKUT at Nyeri Central Prize Giving

Dedan Kimathi University of Technology Vice Chancellor Prof. P. N. Kioni congratulated the students from the Nyeri Central Region of excellent performance in all subjects including Sciences and Mathematics. During his address as the Chief Guest, Prof. Kioni said that DeKUT is contributing to the rise of education standards in the Nyeri County through a pool of international and local expertise.

During the ceremony, issues of drug and substances abuse were named as a major hurdle to education in the area. Apart from drugs, insecurity and cases of theft in schools have been a hell to school managers.

Nyeri Central Sub-County hosts 18 public and seven private secondary schools. The schools' Principals were praised for the development of academic and co-curricular programmes that are improving performance.

Area Sub-County Director of Education, Lawrence Karuntimi said the government is committed to providing quality education and improving service delivery in both primary and secondary schools.

Promoting Science, Mathematics & Technology

Dedan Kimathi University has been on the forefront of promoting Science, mathematics and Technology in Nyeri County. On 15th June, 2014, Prof. Ndirangu Kioni was hosted as a chief guest during the closing ceremony at the Annual Science and Mathematics Contest at Kagumo High School.

Prof. Kioni, encouraged all the participants to excel in not only arts and languages but also Mathematics and Sciences. During his address he congratulated all the boys and girls that sailed through to the finals and emerged the best during the SMAT Contest. Prof. Kioni also promised a token of either a partial or full scholarship to the best student in science or mathematics when they join Dedan Kimathi University of Technology.

Mt. Kenya Sevens hosted at DeKUT

The first ever rugby seven-a-side tournament in the wider Mount Kenya region was played at Dedan Kimathi University grounds on 14th and 15th June, 2014.
